Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for The Mohnton Borough PA Highbrook Stormwater Channel Stabilization Project in fiscal year 2024. The entity to receive funding for this project is Mohnton Borough, located at 21 N. O'Neil Street, Mohnton, PA 19540. The funding would be used for stabilization of a water channel located on Maplewood Avenue in Mohnton to decrease soil erosion causing instability in foundations of area residences. The project is an appropriate use of taxpayer funds because soil erosion is impacting safety and security of housing foundations in immediate area. The project has a federal nexus because the funding provided is for purposes authorized by the Soil Conservation and Allotment Domestic Act of 1935, 16 U.S. Code sections 590a-590d and 590f-g.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
